See the bottom line ahead of time

Try our Know Before You Go out-of-pocket cost estimator

Humana Vision members have access to an out-of-pocket cost estimator tool, which can be accessed from MyHumana online or the MyHumana mobile app.

The **Know Before You Go** cost estimator tool boosts member confidence by explaining the different types of contact and eyeglass lenses, lens materials and frame categories.

Using this tool, you can receive estimated total costs ahead of time, so there are fewer surprises when it's time to pay the provider. That's what we call human care.

Here's how to view your estimated total cost in three easy steps:

1. Sign in to MyHumana at **Humana.com**, select the "**Vision**" tab, then select "**Humana Vision**".
2. Select the "**Estimate Costs**" tab.
3. Complete the **Know Before You Go** out-of-pocket cost estimator.

Many members often have no out-of-pocket costs beyond their copays, but you can feel better prepared for your visit by estimating costs ahead of time.

This communication provides a general description of certain identified insurance or non-insurance benefits provided under one or more of our health benefit plans. Our health benefit plans have exclusions and limitations and terms under which the coverage may be continued in force or discontinued. For costs and complete details of the coverage, refer to the plan document or call or write your Humana insurance agent or the company. In the event of any disagreement between this communication and the plan document, the plan document will control.
